

ABC's of Technology — Battery Hunt

Find safe battery-powered items with a grown-up.

1. Look and Find

Check each battery-powered item you find at home.

☐

TV Remote

☐

Toy Car

☐

Flashlight

☐

Game Controller

☐

Clock

☐

Computer Mouse

☐

Calculator

☐

Smoke Alarm

☐

Musical Card

2. Count & Write

How many battery-powered items did you find?

3. Think About It

How do batteries help these devices work? Draw or write below.
